Assurance Fund.

§ 43-49. Assurance fund provided; investment.

Upon the original registration of land and also upon the entry of certificate showing the title as registered owners in heirs or devisees, there shall be paid to the clerk of the court one tenth of one percent (0.1%) of the assessed value of the land for taxes, as an assurance fund, which shall be paid over to the State Treasurer, who shall be liable therefor upon his official bond as for other moneys received by him in his official capacity. He shall keep all the principal and interest of such fund invested, except as required for the payment of indemnities, in bonds and securities of the United States, of this State, or of counties and other municipalities within the State. Such investment shall be made upon the advice and concurrence of the Governor and Council of State, and he shall make report of such funds and the investment thereof to the General Assembly biennially. When registration involves the State of North Carolina or any political subdivision thereof, the local tax collector shall assess the value of the land involved as if for tax purposes and the amount to be paid to the clerk shall be an amount equal to one tenth of one percent (0.1%) of such assessed value; provided, however, that no taxes shall be levied upon such land while title thereto remains in the State of North Carolina or any political subdivision thereof.
